

This busy bee is getting snacks for her family.
She has two children. They LOVE tomatoes! Their names are Buzz and Betty.

Buzz only likes **EVEN** numbers. Betty only likes **ODD** numbers. Solve each equation and color the even solutions **RED** for Buzz and **YELLOW** for Betty.

BETTY
1, 3, 5, 7, 9

BUZZ
0, 2, 4, 6, 8

A large bee is in the center of a honeycomb grid. Each cell contains an equation. The cells are colored yellow or orange. The equations are:

- Top row: $3+6=$ (yellow), $5+3=$ (orange, contains the number 8)
- Second row: $1+8=$ (yellow), $5+2=$ (yellow, contains the number 7), $6+4=$ (orange)
- Third row: $5-2=$ (yellow), $4-1=$ (yellow)
- Fourth row: $10-3=$ (yellow), $7-3=$ (orange), $9-5=$ (orange)
- Fifth row: $1+1=$ (yellow), $2+2=$ (yellow), $8+1=$ (yellow)
- Sixth row: $7-2=$ (yellow), $3+4=$ (yellow), $6-2=$ (orange)
- Seventh row: $8+2=$ (orange), $4+3=$ (yellow)
